PRESIDENT'S MESSAGE

Thank goodness the winter is just about over, and we can begin to look forward to the spring season. We were lucky in southern Virginia, not much snow at all. Small blessings that it was easy to pick up the yard!!

With the spring, comes the TSCA Annual Specialty. Make your plans to attend April 21 - 24, 2011. What other time will you have the opportunity to study so many dogs, and see if there are some new puppies that catch your eye. I enjoy watching the dogs, seeing what other breeders are doing with their bloodlines, study to see if there is a stud dog that just might be the one I am looking for to use with one of my girls. I believe that to improve your Tibetan Spaniels the number one step is to attend the National. It is the best opportunity to talk to fellow breeders about Tibetan Spaniels. With so many days, time does still seem to slip away, but take the time to socialize, meet new people, and have a great time. The Committee this year is going to throw a great event and I am looking forward to it.

Make plans to attend the Annual Dinner and bring your extra cash for the TSCA Auction. It is one of the biggest fund raisers for the club, and it is always fun to watch the bidding competition over some of the items.

I would like to get together with members who are interested in forming another regional tibbie club. The TSCA has one very successful regional club in the Finger Lakes Tibetan Spaniel Club. FLTSC enjoys the benefits of their member's hard work and sponsors regional specialties, picnics, educational forums among other events. This club's members are working hard on this year's National Specialty. The other regional is the group in Florida, The Orange Blossom Tibetan Spaniel Club of Florida has had their AKC approved B Matches, has a very active membership. They will be working on the 2013 National Specialty.

Regional clubs give their members a chance to learn how clubs work, support each other locally, sponsor events, and it is within these clubs that future leaders of the Parent clubs are born. Local all breed clubs also bring experience that can later be helpful to a Parent club. In my own experience, it was the past Mid Atlantic Tibetan Spaniel Club that I learned the "ropes" on.

Get those travel plans going, tune up those vans, train those tibbies, and I will see our membership at the National! I hope I have the chance to talk to members and spark some energy into the TSCA!

Mallory

LETTER FROM THE EDITOR

There were two articles published by myself, not noticing that they were not signed by the author. Credit goes out to Harold Hartman for these contributions.

Issue 3 2010
*'GREAT TIBBIES FROM OUR
HISTORY THAT ALMOST DIDN'T MAKE
THE SHOW RING.'*

Issue 4 2010
*'HISTORY OF THE TIBETAN SPANIEL IN
AMERICA: THE FIRST LARGE IMPORT
FROM ENGLAND.'*

Thank you Harold for providing these wonderful articles!

I'd like to take a moment to thank all of our advertisers and contributor's for their support of the club's newsletter
